NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN, pursuant to the provisions of the Code of the Town of York, and pursuant to Town Law §130 and §264, that a public hearing shall be held by the Town Board of the Town of York at the Town Hall, located at 2668 Main Street, York, New York at 6:00 p.m. on Wednesday, November 29, 2017 for the purpose of considering public opinion and comment about or concerning a proposed local law relating to the following:

A local law that will provide rules, regulations and standards of conduct relating to the efficient, economic, environmentally safe, and legal operation and use by the public of the Town of York Publicly Owned Treatment (POTW). Specifically, the local law will seek to prevent the introduction of substances into the system that will interfere with its proper and efficient operation, cause violations of State and Federal discharge standards, increase cost of treatment, endanger municipal employees, cause air pollution, or groundwater pollution, or cause any public nuisance condition. The local law also seeks to assure that new sewers and connections are properly constructed and provide for equitable distribution amongst all users of the system of all costs associated with sewage transmission, treatment, and residuals disposal, and to provide for the collection of such costs.

The proposed local law will, if adopted, entirely repeal and replace the provisions in the existing Town of York Code entitled “*Local Law #1, 1973 Retsof Sewer District, Use of Public and Private Sewers and Drains*” and “*Local Law #2, 1983 Retsof Sewer District, Regulating Use of Public and Private Sewers and Drains.*”

A copy of the proposed local law is available for review by the public at the office of the Town Clerk during regular Town Clerk hours or on our website: www.yorkny.org.

All interested persons are invited to appear and be heard at the aforesaid time and place.
