AND RETSOF AVE**

Sewer Specialty Services on behalf of the Town of York will be in your area the week of October 12th for approximately 2-3 days to perform televising of sewer mains in an effort to finalize the design related to upcoming improvements.

Please note that due to increased pressure from the equipment, it is advised that residents may want to take precautions to cover/secure toilet bowls tightly if in the event you have concerns regarding additional pressure issues.

Thank you in advance for your cooperation.
