6. Criteria for APPEALS / INTERPRETATION.

Appeals: The Zoning Board of Appeals, upon application, shall hear and decide appeals from, and review orders, requirements, decisions, or determinations, including any order requiring an alleged violator to stop, cease and desist, made by the Code Enforcement Officer in the enforcement of the Zoning Ordinance of the Town of York. An appeal must be initiated within sixty (60) days after the filing of such order, requirement, decision, interpretation or determination by the Code Enforcement Officer. The Board must find that the original decision was one or more of the following:

- a. Arbitrary and capricious.
- b. Based on an erroneous finding or a material fact.
- c. Constituted an abuse of discretion.
- d. Was based upon erroneous interpretation of the zoning code or zoning law.

Interpretations: Upon appeal from a decision by an administrative official, or upon request from the Code Enforcement Officer or any other duly constituted Board of the Town, to decide any question involving the interpretation of any provision of the Zoning Ordinance of the Town of York, including determining of the exact location of any district boundary if there is uncertainty with respect hereto.

For an appeal, please describe what determination you are appealing from and your position with regard to such determination, describing how your appeal meets one or more of the above criteria. For an interpretation, please describe that part of the Zoning Ordinance or local law you are seeking an interpretation of.:

TTY NY: (800) 662-1220

7.	Cr tha	Criteria for AREA Variances. The ZBA may grant an area variance only upon a finding that a practical difficulty exists. Please respond to the following statements.				
	a.	Public Safety and Welfare. Will the granting of a variance create an undesirable change to the character of the neighborhood or be a detriment to nearby properties?				
	b.	Alternate Options. Can the benefit sought by the applicant be achieved by some other method, feasible for the applicant to pursue, other than an area variance?				
	c.	The degree of variance. Is the requested area variance substantial?				
1		Level of effect. Will the requested variance have an adverse effect or impact on the physical or environmental conditions in the neighborhood or district? No, Similar structures already earst on the property.				
e	: I	Not Self-Created. Is the alleged difficulty self-created? No				

The ZBA, in granting an area variance, shall grant the minimum variance that it shall deem necessary and adequate and at the same time preserve and protect the character of the neighborhood and the health, safety and welfare of the community.

TTY NY: (800) 662-1220

8.	by ha re pr	Criteria for USE Variances. A Use variance is issued to permit a use that is otherwise not permitted in the existing zoning district. The ZBA may only grant a use variance upon a showing by the applicant that applicable zoning regulations and restrictions have caused an unnecessary hardship. Please respond with regard to the following criteria. In addition, a use variance request shall include a plot plan drawn to scale detailing the specific use and improvements proposed by the applicant. The applicant must demonstrate all the following criteria to obtain a use variance.				
	a.	Unreasonable Current Zoning Designation. Describe how the applicant, without a use variance, cannot realize a reasonable return, provided that lack of return is substantial as demonstrated by competent financial evidence. Can the property be reasonably used for any purpose permitted in the zoning district without the use variance?				
i	b.	Unique Circumstances. Describe how the alleged hardship relating to the property in question is unique and does not apply to a substantial portion of the district or neighborhood. What are the circumstances or conditions peculiar to the subject property that are not generally applicable in the area or to other properties in the same zoning district?				
c		Character of the Area. Describe how granting of the requested use variance will not alter the essential character of the neighborhood. Take into consideration the established type and pattern of land uses in the area as well as the natural characteristics of the site and surrounding area when evaluating this criteria.				
d	r	Not Self-Created. Describe how the alleged hardship has not been self-created. Are there special conditions or circumstances related to subject property that make the variance request necessary and which have not been created by or resulted from the actions of the applicant's predecessors?				
	-					

The ZBA, in granting a use variance, shall grant the minimum variance that it shall deem necessary and adequate and at the same time preserve and protect the character of the neighborhood and the health, safety and welfare of the community.

Short Environmental Assessment Form Part 1 - Project Information

Instructions for Completing

Part 1 – Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 – Project and Sponsor Information					
York Milling & Grain LLC					
Name of Action or Project:					
York Milling & Grain, LLC
